

SENIOR ADULT FELLOWSHIP

Since early February, LKH has suspended the bi-weekly English Devotions, visits by befrienders and wheeling of residents to church as measures to protect the residents against the Covid-19 virus infection. Please pray for:

- * The LKH management to have the Lord's wisdom and guidance to implement effective measures to shield all the staff and residents from any infection.
- * All the Christian residents to experience God's peace and assurance as they cast their anxieties to Him and will be good testimonies to the unbelievers.
- * The residents that the measures implemented by the management will be effective to protect them from infection and they will be appreciative to the staff.
- * The frontline healthcare staff for God's protection against infection and wisdom and strength to care for the residents.
- * The LKH volunteers/befrienders to experience peace in the Lord as they look up to Him for His providential care.

BOARD OF DEACONS

Please pray as they meet today:

- * The BOD recently reorganised the structure of ZS into seven clusters, headed by deacons/deaconesses with oversight from Session. Pray that the BOD will find joy in serving and be able to do so effectively with the support from ministry heads.
- * For unity and love as they meet up as brothers and sisters united in Jesus.
- * That our deacons/deaconesses will be granted much wisdom from above to juggle their busy work schedules, family and ministry commitments. Trust that as they seek God's Kingdom first, He will add all things to them.

Reflections of DG1 through 2019

I thank God for the opportunity to be part of DG1 for another year. I was able to attend the Centralised Bible Study sessions and thereafter, share what I had learnt with the DG. I have undoubtedly benefitted the most from the CBS sessions. It is a joy to see how God's Word has challenged and continues to impact not just our individual lives, but also that of a DG collectively.

I'm really thankful to be part of this DG and community! It's truly been a blessing to study God's Word and fellowship together, to share our joys and burdens with one another openly and honestly. It's my prayer for the year ahead that we will grow in authentic discipleship and for more to be part of this community too.

- **Ding Si Rui**

DG1 is an excellent community time for my family and I. It is not only about spiritual enrichment through sharing and praying, but personal bonding with our fellow brothers and sisters. We would have meals together, chat and laugh about worldly matters, let everyone's children play together and many more, all while taking in comfort that we can lean on one another when in need to know if we are ultimately leaning on God for our living.

- **Amos Lim**

My DG has been a constant in my life through several major life changes, such as moving abroad and then back home, and attending a different church and then returning to Zion. The doors are always open for those who are new as well as those who've been away. It's been a blessing to share meals, honest thoughts, and ridiculously fun times with everyone who's ever stepped through those doors.

DG is a place to connect, fellowship and discover the Word with other members of the body of Christ. It is also a place of strengthening as we build each other up through sharing common experiences, encouragement and prayer. In the midst of our busy schedules, DG brings us back to what is really important, and aligns our focus back to God.

- **Elliot Aruldoss & Tisha K. Jaswantlal**

In the last 6 years of being a part of DG1, I've grown from being a single, to a couple, and now to a family of 4. During this period, God has worked in me through this DG in so many ways. The spiritual support I have gotten is amazing. Whether it's work issues, family issues, relationship issues or parenting issues, our DG has been there at every step of the way. Not with judgements, not with solutions, but with their constant prayers. This has also made my walk with God much more personal and I am so thankful to walk this journey with DG1.
